Enrollment and Eligibility

Learn

- Evaluate the benefits that best meet the needs of yourself and your family.
- Review Summary Plan Descriptions for benefits and retirement.

Decide

- Choose from the myAdvantage CDHP, myClassic POS plan, or Global Health plan.
- Review the dental benefits offered through Delta Dental and vision coverage through EyeMed.
- Estimate your out-of-pocket medical, dental, and vision costs if you want to participate in the FlexChoice Flexible Spending Account (FSA) program.
- Consider the Health Savings Account (HSA) for medical expenses and/or the FlexChoice Limited Purpose FSA (LPFSA) for dental and vision expenses if you enroll in the myAdvantage CDHP.
- Review our insurance options—including life, disability, critical illness, umbrella liability, legal, and identity protection—and choose what's right for you.

Enroll

- Your onboarding, through Workday, will include benefits information and enrollment details. You have only 30 days from hire date to make your elections.
- You can use the [Workday mobile app](#) to enroll in your benefits.
- If you have a qualifying life event during the year, access your Workday account within 30 days of the life event to make a change. See page 3 for more information.

Enrollment and Eligibility

Who's eligible?

As long as you're regularly scheduled to work 20 hours or more each week, you're eligible for benefits. Your benefits will go into effect on the first day of the month following or coinciding with your hire date or transfer into a benefits-eligible position.

Whom can I cover?

For health, dental, vision, and certain other insurance products, you may choose to cover yourself only, yourself and one dependent, or yourself and your family. Eligible family members generally include the following:

- Your spouse
- Your children (sons, daughters, stepchildren, or adopted children, including children placed for adoption and foster children), in most cases, up to the end of the month following their 26th birthdays
- For health, dental, and vision only: Disabled children who are dependent upon you for support even if they're older than age 26, provided they were disabled before their 26th birthdays and meet eligibility and medical criteria

When can I make changes?

In most cases, you can make changes to your benefits only once a year, during Open Enrollment, unless you experience a qualifying life event. Qualifying life events generally include the following:

- Marriage or divorce
- Birth or adoption of a child
- Death of a spouse or dependent
- Involuntary loss or acquisition of coverage through another insurance carrier
- A change in your spouse's benefits status
- A covered dependent's turning age 26
- An eligible dependent's entering or leaving the country

Any changes to your benefits must be made within 30 days of the qualifying life event.

YOUR CHOICE, ANYTIME

You can do the following anytime throughout the year:

- Change the amount you contribute to your HSA
- Select new investments or modify the amount you contribute to your 401(k)
- Select new investments for your 403(b)

Choose from two medical plans

The HMFP Choice Network offers two medical plans, both administered by Harvard Pilgrim Health Care (HPHC):

- 1) **myAdvantage CDHP:** This consumer-driven health plan (CDHP) features lower premiums with higher out-of-pocket costs and deductibles. With this plan, you designate a primary care provider (PCP) who coordinates your care. The CDHP is offered in conjunction with an HSA. To learn more about the HSA, see [page 10](#).
- 2) **myClassic POS Plan:** With this plan, you designate a PCP who coordinates your care. While you have the flexibility to use out-of-network providers, out-of-network care is generally more expensive than in-network care.

As shown on the next page, the amount you pay for medical services depends on the tier of the provider and whether you're receiving in-network or out-of-network care. For more information about how the tier structure works, please visit [HPHC](#).

Access high-quality care through Beth Israel Deaconess Care Organization (BIDCO)

You don't need a referral from your BIDCO (Tier 1) PCP to see a BIDCO (Tier 1) specialist, making it easier for you to see a specialist whenever you need to. To help lower your health care costs, you and your family may want to consider using this network of providers.

Schedule virtual visits with Doctor on Demand

Whatever your health concern, from chronic conditions to urgent care to preventive medicine, Doctor on Demand allows you to connect to a board-certified physician face to face using your phone, tablet, or computer, 24 hours a day, 7 days a week. Just like in an in-person visit, the doctor will take your history and symptoms and perform an exam and may recommend treatment—including prescriptions and lab work.

To enroll, visit [Doctor on Demand](#).

View your medical plan rates

Medical plan rates vary by department. Your medical rates will be in Workday when you enroll. Feel free to contact the [Benefits Team](#) with any questions.

¹ Once a family member meets the Individual-level deductible (even if it's before the Individual + 1 or Family deductible is met), then that family member will be considered to have met his/her deductible and will move to coinsurance. Once a family member meets the Individual-level out-of-pocket maximum (even if it's before the Individual + 1 or Family out-of-pocket maximum is met), then that family member will be covered and will no longer be responsible for qualifying out-of-pocket expenses for the remainder of the calendar year.

Understand how your prescription drug plan works

HMFP partners with CVS Caremark for prescription drug coverage. This partnership makes it easy for you to order prescription refills, check drug costs and coverage, and find ways to save on your medications. To locate the pharmacy closest to you, use the [Pharmacy Locator](#).

Prescription Drug Costs	Retail*	Mail* (up to a 90-day supply)
Tier 1 Primarily generic drugs	Up to a 30-day supply: \$10 co-pay Up to a 90-day supply: \$30 co-pay	\$20 co-pay
Tier 2 Primarily brand-name drugs for which generic equivalents are not available	Up to a 30-day supply: \$30 co-pay Up to a 90-day supply: \$90 co-pay	\$60 co-pay
Tier 3 Drugs that do not fall into tiers 1 or 2	Up to a 30-day supply: \$50 co-pay Up to a 90-day supply: \$150 co-pay	\$150 co-pay

* If you enroll in the myAdvantage CDHP, you must meet the full deductible before these prescription co-pays apply. Both medical plans have an annual out-of-pocket maximum. Once you have reached the out-of-pocket maximum (including deductible, co-pay, and coinsurance amounts), your prescriptions are covered in full for the rest of the year with no other cost sharing required.

Prescription co-pay assistance program

HMFP partners with PillarRx to help employees and family members who take specialty medications for complex or chronic medical conditions. This program uses drug manufacturers' coupons to cover most or all of your out-of-pocket costs for eligible medications. If you are prescribed an eligible medication, you will be contacted by PillarRx to facilitate enrollment in the manufacturers' programs.

\$0 CO-PAYS AT THE BIDMC PHARMACY

Employees and their dependents who are enrolled in one of our medical plans can have their prescriptions filled through the BIDMC pharmacy in person or through the mail with a \$0 co-pay. The myAdvantage CDHP deductible still applies. For more information, contact the BIDMC Pharmacy at pharmacy@bidmc.harvard.edu or at 617-667-6400.

Get to know your dental coverage

Dental coverage is provided through the Delta Dental PPO Plus Premier program, which combines Delta Dental's Premier and PPO networks (and includes 96% of dentists in Massachusetts). You'll save when you receive dental care from a participating Premier dentist, but you'll obtain the greatest value when you receive dental care from a participating PPO dentist.

Monthly cost	Employee	Employee + 1	Family
EyeMed	\$7.97	\$15.14	\$22.24

For more information about what's covered, please visit eyemed.com.

Supplement with Critical Illness Insurance

Critical Illness Insurance can help cover the extra expense associated with a severe, life-threatening illness. When a serious illness happens to you or a loved one, this coverage provides you with a lump-sum payment upon diagnosis. In addition, the plan will pay \$500 upon diagnosis with a covered infectious disease, including COVID-19. Payments may be used to help pay for expenses generally not covered by medical and disability income coverage. You can use those funds any way you choose.

You can elect coverage for you, your spouse, or your child(ren).

You: \$10,000, \$20,000, or \$30,000

Your spouse: 100% of the employee's benefit

Your child(ren): 100% of the employee's benefit

The rate you pay depends on your age as of January 1, the amount of coverage elected, and who you cover (spouse and/or children). You will see your rates in Workday when you enroll.

Working internationally?

If you will be working outside the United States for six months or more, you are eligible to enroll in the Aetna International Global Health Plan for medical, prescription, dental, and vision coverage. Aetna's online and mobile tools make it easier to manage your health when you are working outside the United States. To learn more about the program, email the HMFP [Benefits Team](#).

GLOSSARY OF TERMS

Here's a quick refresher of commonly used medical/dental terms:

An **ALLOWABLE CHARGE** is the dollar amount typically considered payment in full by an insurance company and associated network of health care providers.

COINSURANCE is the amount you pay, as a percentage of the cost of your allowed services, once you meet the deductible, until you reach the plan's out-of-pocket maximum.

A **CO-PAYMENT (CO-PAY)** is a fixed amount you pay for a health care service or prescription.

A **DEDUCTIBLE** is the amount you pay before your insurance begins covering certain services such as hospitalization or outpatient surgery.

An **OUT-OF-POCKET MAXIMUM** is the most you pay per plan year for health care expenses, including prescription drugs. Once you reach this limit, the plan pays 100% for the remainder of the plan year.

A **PREMIUM** is the amount you pay for insurance, using pre- or post-tax dollars via payroll deductions.

Maximize your HSA or FlexChoice FSAs

Which account are you eligible for?

- **HSA:** For those who are enrolled in the myAdvantage CDHP, are not enrolled in Medicare, and have not participated in a health care FSA in the current calendar year
- **FlexChoice FSA Health Care:** For benefits-eligible employees who are not contributing to the HSA
- **FlexChoice FSA Dependent Care:** For all benefits-eligible employees
- **FlexChoice Limited Purpose FSA (LPFSA):** For those who are enrolled in the myAdvantage CDHP, used for dental and vision costs only

How the HSA works

- An HSA is a bank account owned by you.
- Contributions are made on a pre-tax basis.
- HSA money rolls over from year to year so you can use it for future medical expenses.
- HealthEquity, our HSA provider, will send a debit card that you can use to pay for eligible expenses.

Visit [HealthEquity](#) to learn more.

2021 HSA contribution limits

2021 HSA contribution limits	HMFP contribution*	Your maximum contribution	IRS maximum
Individual enrollee	\$500	\$3,100	\$3,600
Individual + 1 or Family enrollee	\$1,000	\$6,200	\$7,200

If you're over age 55, you may contribute an additional \$1,000 per year.

* The HMFP contribution will be prorated your first year based on your benefits eligibility date.

Evaluate your FSA options

- **FlexChoice FSA Health Care:** This account allows you to put money aside to pay for qualified medical, dental, and vision out-of-pocket expenses using pre-tax dollars. If you want to participate in the 2021 FlexChoice FSA, you must specify how much you'd like to contribute (for the year) when you enroll. Remember: Your election does not automatically continue from year to year.
- **FlexChoice FSA Dependent Care:** This account can be used to pay for eligible day care expenses, summer day camps, and before- and after-school care for children under the age of 13. Be sure to take into consideration any contributions already made this year so that you do not exceed the IRS limits stated below.
- **FlexChoice LPFSA:** This account can be used for dental and vision costs and is only available if you enroll in the myAdvantage CDHP and are eligible for an HSA.

2021 FlexChoice FSA limits

	Health Care FSA/LPFSA	Dependent Care FSA
Maximum annual contribution	Up to \$2,750	Up to \$5,000 per household
Deadline to incur expenses	December 31, 2021	March 15, 2022
Deadline to submit claims	March 31, 2022	

Sentinel Benefits and Financial Group, our FlexChoice FSA program partner, provides a debit card that you can use to pay for eligible health care expenses at the point of purchase. Just remember to save your itemized receipts when you use your card, as you may need to provide proof of the expense to comply with IRS rules. Please note: New debit cards are issued every three years unless you request a new one sooner.

THE "USE IT OR LOSE IT" RULE

You'll be permitted to roll over \$550 in your FlexChoice FSA Health Care or LPFSA to the following calendar year. At the end of 2021, you'll forfeit any unused funds over \$550 in your FlexChoice FSA Health Care or LPFSA.

Protect your loved ones with insurance programs

Our program is designed to offer you an affordable way to provide financial protection for your loved ones.

Program Details – Summary of Benefits	STD/LTD certificates will be in Workday when you enroll. Feel free to contact the Benefits Team with any questions.	

MASSACHUSETTS PAID FAMILY MEDICAL LEAVE (PFML)

The Commonwealth of Massachusetts offers PFML of up to 26 weeks for medical or family reasons to all employees who work in Massachusetts, which is typically funded through a mandatory Massachusetts tax payroll deduction. HMFP has partnered with our insurance provider, The Standard, to offer a less expensive solution that offers you the same benefit. You and HMFP will share in the cost of this program.

Save for your future

At HMFP, we're committed to helping you plan well and live well. That's why we offer a competitive retirement program that helps you pursue financial wellness. All employees are eligible to contribute to the 401(k) Savings & Investment Plan, and benefits-eligible employees will receive contributions to the 403(b) Retirement Plan. In addition, a 457(b) Plan permits eligible employees to accumulate additional tax-deferred savings beyond the limits of the 401(k) Savings & Investment Plan and 403(b) Retirement Plan. All plans are subject to IRS limits and feature a variety of investment options from Fidelity Investments.
