At HMFP, we’re committed to helping you plan well and live well. That’s why we offer an array of competitive benefits that are designed to help you live your best life. From medical plans and retirement programs to child care and family resources, you’ll have the services and support you need to take care of yourself—and your family.

**Live Healthy**

**Choose from two medical plans**
The HMFP Choice Network offers two medical plans, both administered by Harvard Pilgrim Health Care (HPHC).

1. myAdvantage CDHP: This Consumer-Driven Health Plan (CDHP) features lower premiums with higher out-of-pocket costs and deductibles. With this plan, you designate a primary care physician (PCP) who coordinates your care. The CDHP is offered in conjunction with an HSA.

2. myClassic POS Plan: With this plan, you designate a PCP who coordinates your care. While you have the flexibility to use out-of-network providers, out-of-network care is generally more expensive than in-network care.

**Get to know your dental coverage**
Choose the Dental Core or the Dental Enhanced plan through the Delta Dental PPO Plus Premier program, which combines Delta Dental’s Premier and PPO networks (and includes 96% of dentists in Massachusetts). You’ll save when you receive dental care from a participating Premier dentist, but you’ll obtain the greatest value when you receive dental care from a participating PPO dentist.

**Take advantage of vision coverage**
In addition to the vision benefits offered under our medical plans, we offer a comprehensive vision care plan from EyeMed. The plan covers vision exams, eyewear, and contact lenses as well as discounts on services such as laser surgery.

**Understand how your prescription drug plan works**
We partner with CVS Caremark for prescription drug coverage. This partnership makes it easy for you to order prescription refills, check drug costs and coverage, and find ways to save on your medications. Employees and their dependents who are enrolled in one of our medical plans can also have their prescriptions filled through the BIDMC pharmacy in-person or through the mail with a $0 co-pay. The myAdvantage CDHP deductible still applies.

**Supplement with critical illness insurance**
Critical illness insurance can help cover the extra expense associated with a severe, life-threatening illness. When a serious illness happens to you or a loved one, this coverage provides you with a lump-sum payment upon diagnosis.

**Live Securely**

**Maximize your spending accounts**
Set aside pre-tax dollars to pay for qualified expenses through the HSA, FlexChoice Limited Purpose FSA, FlexChoice FSA Health Care, or FlexChoice FSA Dependent Care.
